FLEXIBLE GENERATION

RENEWABLES

Stay Safe and Committed as One ENGIE by Following Our PPE Guidelines and Life-Saving Rules.

Questions regarding your visit?  
Call 713-348-9966

**9 Life Saving Rules**

**DO'S**

**BE HOOKED UP**  
Clip on your harness when working at height.

**STEP ASIDE**  
Stay out of the path of moving vehicles, plant and equipment.

**CHECK**  
Verify that there is no live energy (mechanical, chemical, electrical, fluids under pressure, etc.) before starting work.

**MAKE SURE**  
Only enter a trench if the appropriate wall supports are in place.

**CONTROL**  
Test that the atmosphere is safe before entering a confined space and monitor it as you work.

**DON'TS**

**HALT**  
Do not perform hot work until the fire or explosion risks have been eliminated.

**AVOID**  
Do not walk or stand under a load.

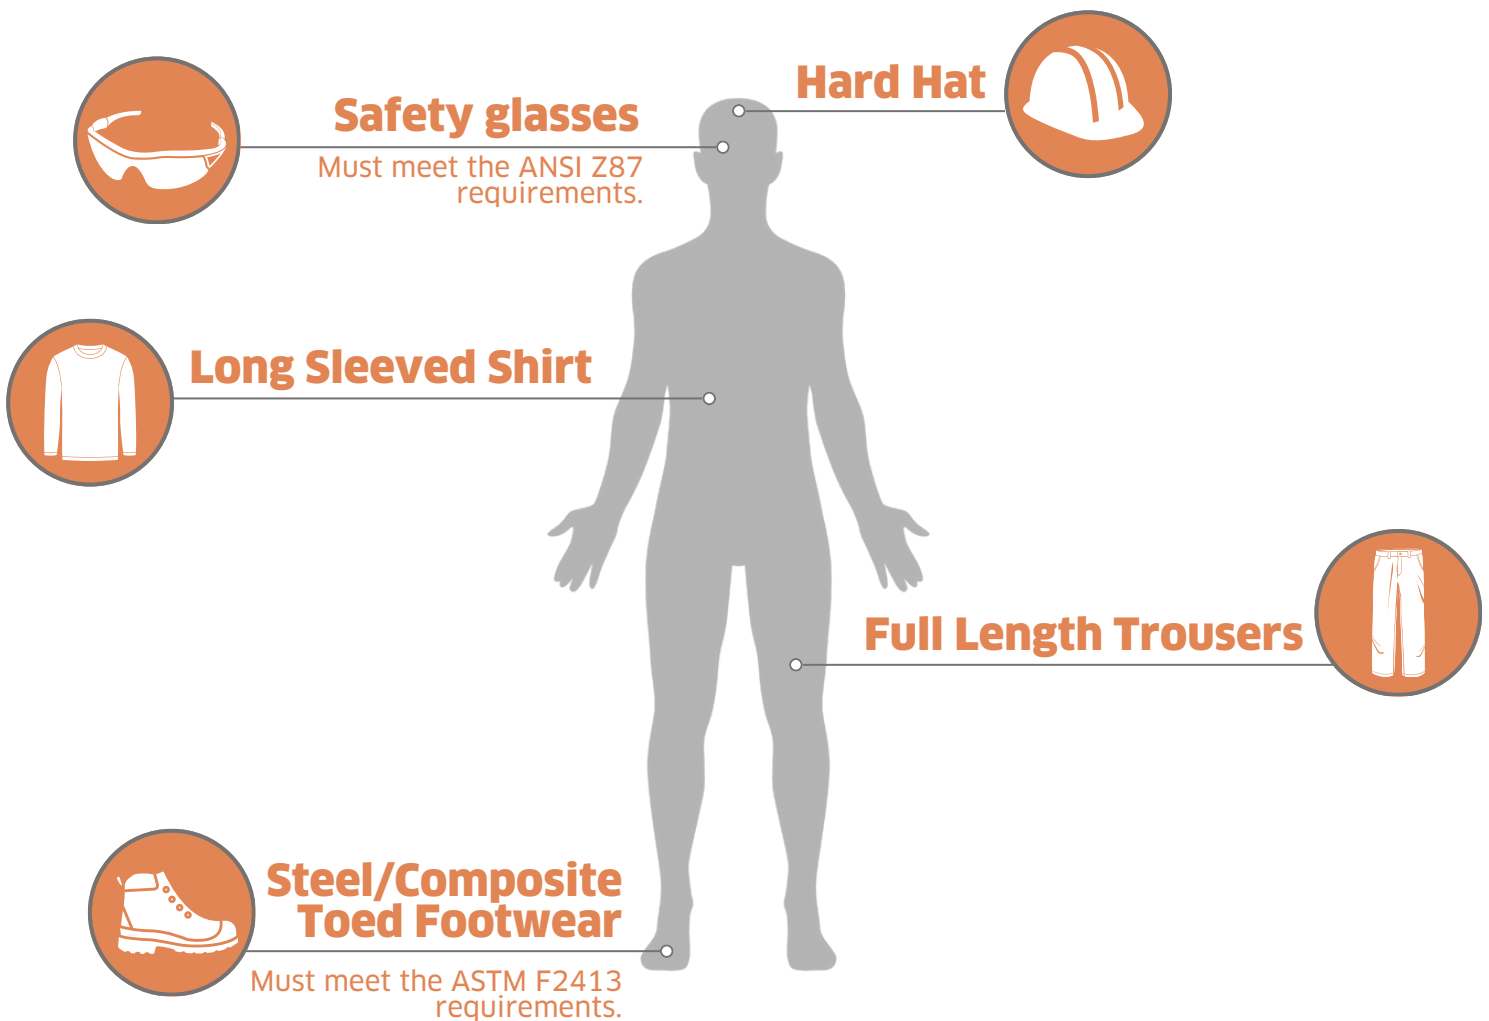

**BAN**  
Do not work under the influence of alcohol or drugs including driving.

**STOP**  
Do not manipulate your phone or any other communication device while driving.
